

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 2110 - HB 2637

February 19, 2022

SUMMARY OF BILL: Designates an additional portion of Piney River in Rhea County as a Class I natural river area.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Currently, a portion of the Piney River, defined as “that continuous segment of Piney River, in Rhea County from its confluence with Moccasin Creek downstream to its confluence with Rockhouse Branch,” is designated as a Class I natural river area.
- This legislation will extend the current Class I natural river area for approximately 3.5 miles.
- Based on information from the Department of Environment and Conservation, the Department will not require any additional personnel or other resources as a result of this legislation; therefore, no significant impact on state or local government.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
